... a fabulous experience for every pony lover!

The Ponies

The Shetland pony is simply the greatest and most instantly recognisable pony in the World. The Shetland is well known for its gentle nature, patience and inquisitive nosiness! Osbaston is home to a herd of beautiful Shetlands: Lottie, Lolly, Lulu and Autumn are all fillies along with their bigger sisters, the broodmares, Peaches and Milly. All the ponies are kept 'in check' by the resident stallion Joshy! They adore attention and you'll soon fall in love with them.....spring time is always special as this is when the newly born foals arrive.

The Party

The children will take part in a 'hands on' experience with the ponies and will enjoy grooming the ponies, leading the ponies as well as practical activities in the stable and tack room. The party highlight is an exciting ceremony with prize rosettes awarded for the 'Best Dressed Pony' and 'Best Pony Handler'.

One of the old stables has been converted into a rustic, children's country party room which provides the ideal area for the children's get-together. The children soon make themselves at home relaxing on the hay bale seats and enjoying welcome drinks.

The party begins by meeting the adorable ponies and of course there is plenty of time for fun, games, and photo opportunities!
